

Love to Learn

(Henry Hipkens)

I may not know much when it comes to love
But I would to learn
And it may take a little time I know
I've got the time to burn

Teach me
Won't you teach me
You may have to go real slow
Show me
Won't you show me
Every little thing you think that I should know

And so it goes we can't all be "pro"s
And yet we each may have a turn
I may not know much when it comes to love
But I would love to learn
