Hot times in this tired town looks like the heat - wave will go a -
 fair livin' doin' what I'm told but it's a bad day on this
 eve - ning when the sun goes down we'll take a ride in the hills up above the
 I think about you when the sun is high and my back is achin' and my throat is

nother round sun beatin' down so mean an' cross that when the
 county road sun makin' all the blacktop ooze I feel the
 town dry find a hollow where the cars won't pass and we can
 I think about you on these days so warm you

breeze blows it's like a truck ex - haust but I won't let it
 heat rise up a through my shoes but I won't let it
 lie there together in the tall cool grass and make love 'til
 cool my mind like a thunder - storm and give me the strength to go a

blow me down because I'm thinkin' 'bout you Baby an' waitin' on the sun to go down
 pull me down because I'm thinkin' 'bout you Baby an' waitin' on the sun to go down
 world turns 'round you're the reason that I'm livin' an' waitin' on the sun to go down
 nother 'round workin' like a demon and waitin' on the sun to go down
