

SNOW DAY

(Henry Hipkens)

(October 1998, Pinspotter Music)

It's a chilly winter morning
Got the covers over my head
Tryin' to find a way to make
Myself get out of bed
When I notice its too quiet
And look out on the drive
To a beautiful sight
A blanket of white
I'm the happiest man alive

Snow day
Snow day
There's not a thing that we can do
And I'll spend
The whole day
With you

Not a thing is open in this winter wonderland
You might as well forget about
Whatever you had planned
We've been workin' hard all winter
Been busy just gettin' it done
What a wonderful way
For Mother Nature to say
"Today you're just gonna have fun!"

Snow day. . . . (repeat chorus)

No one can say we're lazy
We can't help that we're snow bound
When outside there's a foot or more
And its still comin' down
We've been workin' hard all winter
Been busy just gettin' it done
What a wonderful way
For Mother Nature to say
"Today you're just going to have fun!"

Snow day. . . . (repeat chorus and fade)
